Summary

B.Tech student in **Artificial Intelligence & Machine Learning** (AIML) with strong interest in Data Science. Skilled in C, Python, SQL, and DSA, with hands-on experience in projects. Passionate about data analysis, visualization, and insights extraction to solve problems and drive decisions. Open to internships, collaborations, and mentorship in data science and analytics.

Education

Symbiosis Institute of Technology (SIT), Pune B.Tech(AI ML) • 8.41
Aug-24 to May-28

St. John's Sr. Sec. School, Firozabad Intermediate • 90.2
2023-2024

St. John's Sr. Sec. School, Firozabad High School • 90
2021-2022

Experience

Bluestock May-26 to June-26
Data Analyst Intern

AI Club Feb-26 to Present
Tech Executive
Tech Team Member

Varsity Care Oct-24 to Feb-26
Finance Executive

AI-ML Department Oct-24 to Present
Visual Media Editor

Google July-25 to May-26
Google Student Ambassdor 2025

Google Aug 2025 - Dec 2025
Google Student Ambassdor 2026

Projects

SmartProcure
SmartProcure AI predicts delivery delays and optimizes dispatch using ML powered logistics intelligence.

UIDAI Aadhaar Decision Intelligence System
Hackathon project that transforms UIDAI Aadhaar enrolment and update data into actionable insights using EDA anomaly detection and machine learning forecasting

Migrant Health Records (SIH 2025)
Full-stack application for managing migrant health records under SIH 2025 initiative.

Customer Churn Predictor
End-to-end machine learning project to analyze, model, and predict customer churn using EDA and advanced classification techniques.

Awards

4th Prize at Project Display Held during Industry Conclave 2026
AIML Department, SIT Pune
